

Agriculture & Farming

Situated in a region with a large agriculture industry, it is not surprising that we have a large number of clients involved in agriculture and farming. The expertise and quality of service you will receive will meet and go beyond your expectations.

Our legal services include:

- Purchases and sales
- Leases
- Sharecropping contracts
- Financing and security
- Land development and municipal planning
- Succession planning
- Tobacco and ginseng specific issues

For specific inquiries or to schedule a meeting, contact John Backus or Tom Cline
