

## Estate Planning and Administration

Our wills and estates lawyers provide assistance with all aspects of estate and personal planning. With an unprecedented transfer of wealth taking place in today's generation, both on an individual and corporate level, we are often called upon to assist families and businesses in estate and personal planning.

Our services include:

- Wills and Powers of Attorney
- Living trusts
- Estate planning / succession planning
- Tax planning
- Executor assistance
- Beneficiary advice
- Dispute negotiation
