

Estate Disputes

Disputes relating to estate matters require an extra degree of sensitivity. We represent parties to disputes through conventional litigation methods as well as through alternative dispute resolution methods that may be more sensitive to the situations they're facing.

We have acted for clients in a full range of estate disputes, including:

- Contested or defended wills
- Trustee or executor duties
- Testator competency
- Compensation disputes

For specific inquiries or to schedule a meeting, contact John A. Backus, Thomas A. Cline, Michael D. McArthur, Paul Hosack or Maria Vanderspek
