

## Injury and Disability

The circumstances of personal injuries vary from a car accident, a fall, and improper medical treatment to faulty products. The consequences to injured parties and their families can be devastating, both emotionally and financially.

We provide a full range of legal services for plaintiffs and defendants in personal injury litigation.

- Motor vehicle accidents
- Wrongful death
- Negligence and malpractice
- Physical and sexual assault
- Slip and fall accidents
- Disability insurance benefits
- Defamation
- Wrongful dismissal
- Workplace accidents
- Canada Pension Disability
